MEET YOUR NEIGHBORS

BRUCE & BONNIE WALTERS WILDFLOWER DR.

Bonnie is originally a Chicago north sider, growing up in the Wrigleyville area. Bruce, known by his friends as "Wally," came to Illinois from Saxonburg, PA, to apply for a job at Lake in the Hills. Bonnie was already working there as a corporate secretary. She was impressed with his application and got him working as a truck driver, repairing tires, and overseeing the shop guys.

She hired him, then married him! They have now been married for 32 years.

Before moving to Illinois, Wally served for 4 years with the U.S. Marines, stationed in Hawaii. Thank you for your service, Wally! Bonnie had already raised 2 daughters, and they now share 7 grandchildren. They enjoy watching them participate in sports such as baseball, football, dancing and cheerleading.

Wally & Bonnie say they absolutely love living at Four Seasons. Because they love to be outside, they appreciate the wildlife, such as the playful squirrels, and like to feed the birds and doves that come to "visit." They looked around at many places before, but found the right home at the right price in this community. They have great neighbors and enjoy all the events and the swimming pool.

Wally & Bonnie are happy that there is convenient shopping in the area, health care and the Keen Age Center is close by. There's also lots to do downtown. They just recently discovered that some old friends from high school are also living here. It's a small world!

Wally & Bonnie have enjoyed some traveling while they owned a delivery truck business. They've been to Graceland, N. & S. Carolina, Georgia and Alabama. They go to Ohio frequently to visit their daughter.
