

## HOMES MARKETPLACE

### Builder Profile: Four Seasons

Four Seasons Dream Homes are single family, ranch style homes that especially appeal to retirees.

## Builder offers affordable dream homes

**Four Seasons Manufactured Housing Community in Belvidere has been managed by the same family for 27 years.**

**Q** What are your specialties?

**A** Single family, ranch style, easy maintenance and very affordable homes that appeal to many people in their retirement years.

**Q** What is your unique building style?

**A** Four Seasons-Dream Homes offers manufactured homes. These homes are an exceptional value for the housing dollar because they're factory-built in an efficient and controlled environment. Manufactured homes are competitive with site-built homes in appearance and materials, but cost much less to purchase. The homes are very energy efficient with 2 x 6 walls and superior insulation. They're easy to maintain and include much quality and luxury.

**Q** What home building trends are you seeing in your business and from customers?

**A** Today's retirees are looking for quality-built, luxurious, energy efficiency, easy maintenance housing in a beautiful neighborhood with amenities at very affordable prices. Our customers are looking to reduce their housing cost to enhance their retirement lifestyle. By spending less money for housing, retirees have more funds to travel, spoil grandchildren or other fun things in life.

**Q** Do you have a favorite customer testimonials?

**A** Our company receives many wonderful thank you notes from the residents of Four Seasons. Richard and Beverly Roeschel write, "Four Seasons is a place to be! You have helped make our retirement years SO much more enjoyable! Four Seasons is just like Mayberry because it's friendly and neighbors look out for each other." Jack and Janice Bornick write, "we could not be happier with our Dream Home in Four Seasons."

**Q** Why should a customer choose your business?

**A** We offer new construction, quality-built, luxurious housing at very affordable prices in a neighborhood people love. The Winchester model is \$69,900 and includes 3 bedrooms, 2 baths, 2 1/2 car attached garage, 2 x 6 walls, superior insulation, beautiful kitchen with oak cabinets and appliances, window treatments, central air and more.

**Q** What do you think homes will look like in 2033?

**A** More homes will be factory-built. Homes constructed in a controlled and efficient factory environment offer more quality for less cost.
